**Abstract:**

The process of modernization and internationalization is a crucial point of the development plan of ITS Agroalimentare Teramo, whose main objectives are:

ensure the supply of excellent technicians who respond to the demand from the national and international labor market;  
 support measures for innovation and technology transfer to small and medium-sized enterprises with particular regard to technologies with a reduced environmental impact.

In this perspective, the Erasmus+ Programme represents a fundamental instrument to contribute to the realization of quality training with an international dimension based on the mobility of people and minds and on an exchange that favors the removal of cultural and organizational barriers and the inclusion of disadvantaged people.

**Activities:**

ITS will be expanded the mobility offer by developing, in addition to mobility for traineeship, mobility for study and incoming mobility. Will be promoted virtual traineeships and expanded the network of international contacts to facilitate the staff mobility and create opportunities for international cooperation.

**Principal beneficiaries:**

about 100 students; about 15 staff and 5 business personnel.

**Expected results:**

increase in the number of mobile students (incoming and outgoing) with a consequent qualitative improvement of their training;  
 increase in the number of virtual mobility students by offering equal opportunities to disadvantaged people in accordance with the principles of non-discrimination and equal opportunities of the Erasmus + Programme;  
 increase in the number of mobile graduates with consequent improvement of professional, social and intercultural skills;  
 implementation of the mobility of academic and administrative staff with consequent exchange of good educational and administrative practices and increase of motivation and satisfaction in one's work.

**Outputs:**

Guidelines  
 Toolkit  
 Platform for virtual traineeships  
 ICT tool  
 Information seminars  
 Dissemination actions.

## Evaluation Summary Report

### Criterion 1 - Relevance of the Erasmus Policy Statement (EPS)

Status: **Yes**

The detailed criteria are set out in the call conditions (see Call document).

*The applicant presents an Erasmus Policy Statement (EPS) in line with the institution's profile. The EPS is consistent with the mobility activities that the institution intends to undertake. One of the objectives of the ITS Agroalimentare Teramo for the next few years is to develop mobility for study (incoming and outgoing) that it was unable to implement in the previous Programme.*

*It is positive that they also mention the willingness to take part in KA1 and KA2 activities. It is recommended that the applicant carefully reads the Charter guidelines to learn more about the other opportunities offered by the Erasmus+ Programme in case they decide to extend their participation to other Programme activities.*

*The institution should contact their Erasmus+ National Agency if they decide to modify their EPS.*

### Criterion 2 - Quality of organisation and management

Status: **Yes**

The detailed criteria are set out in the call conditions (see Call document).

*The institution demonstrates that it has the capacity to implement the planned activities and to ensure their sustainability. Furthermore, the applicant is committed to improving its current cooperation structures. The measures for guaranteeing the visibility of Erasmus+ opportunities are satisfactory as well as those to promote the Charter principles in the institution.*

### **Criterion 3 - Implementation of the ECHE Charter principles**

Status: **Yes**

**The detailed criteria are set out in the call conditions (see Call document).**

*The institution commits to implement full automatic recognition and describes some of the steps to take. However, they should improve their practices by carefully reading Council Recommendation of 26 November 2018 on promoting automatic mutual recognition” to improve their methodology in line with the Council recommendation. Further to the measures to implement full automatic recognition, the institution should ensure full transparency towards students, and include a clear procedure for appeal.*

*The institution commits to develop procedures for recognising mobility of staff.*

*The institution commits to implement full and equitable access to participants from all backgrounds. It includes some actions to ensure the inclusion of groups with fewer opportunities for participation in the Programme activities. The institution will also organise training / information activities to implement these measures.*

*The applicant shows commitment to implement the European Student Card Initiative and promote the use of Erasmus+ Mobile App. The applicant should improve their knowledge about these two initiatives and provide a timeframe to implement these initiatives in the institution. They should also ensure that the institutional information is present and up-to-date in the E+ mobile App. They should also devise a promotion campaign for these initiatives in their institution.*

*The institution demonstrates that they intend to promote and implement environmentally friendly practices. The examples given are appropriate and in line with the new principles of the ECHE and include also promote sustainable means of travel.*

*The activities proposed are relevant to promote civic engagement and active citizenship amongst the participants in outgoing mobility activities.*

### **Based on the information provided, this application is:**

Status: **Accepted**

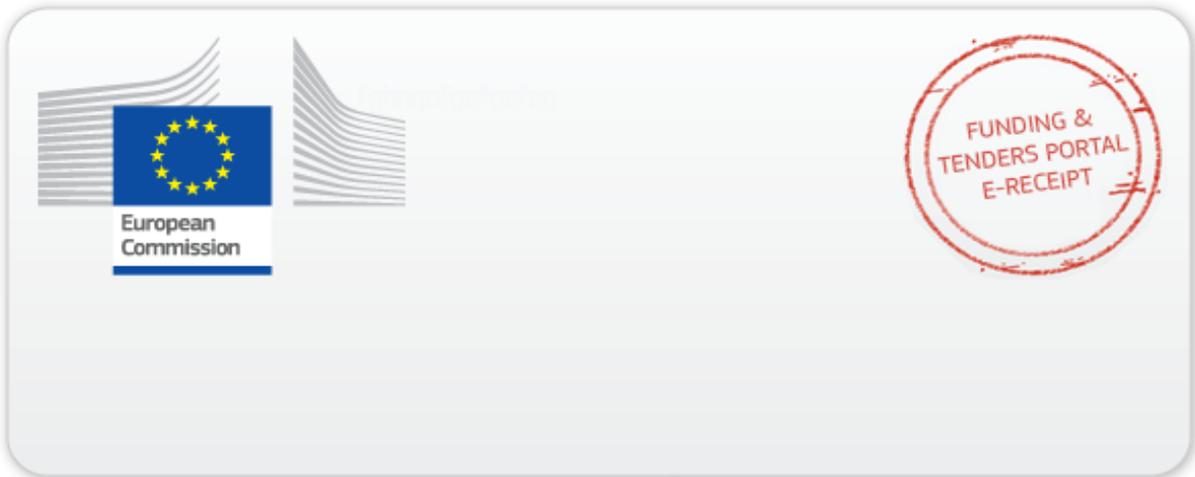

**Summary of the proposal's key strengths and key weaknesses**

*The institution is accepted for renewal of the Erasmus Charter for the period 2021-2027. They demonstrate a good understanding of the ECHE principles, and that they will ensure an appropriate participation in the Programme.*
